[The mystery](#) of Saint Francis' Tomb >Tomb or Sarcophagus?

> CODEX BROTHER ELIAS <

> Why did Brother Elias want to bury Francis' body without witnesses, concealing it so well that it took 600 years to find it?

> What is the encrypted message of the objects Brother Elias placed around the mortal remains of St. Francis?
> Why has it never been decoded?
> Why have the ring and the 29 beads (17 made of ebony and 12 of amber) of the wreath placed at the feet of the Saint from Assisi been taken away or got lost, just like all documents and the secret archive of Brother Elias?
